

# Calculating Grade Point Average (GPA)

To determine a student's grade point average (GPA), Sage uses the following system of quality points:

## **Graduate**

A	= 4.0
A-	= 3.7
B+	= 3.3
B	= 3.0
B-	= 2.7
C+	= 2.3
C	= 2.0
C-	= 1.7
F	= 0.0

(I, P, W, and NC grade designations not calculated in grade point average. Note: there is no grade of D in Sage Graduate Schools.)
