

# Audit

Students who wish to audit a course must have the instructor's permission to do so and will be permitted to audit a course on a space-available basis, limited to not more than 10 percent of class enrollment. They are not required to submit credentials if they intend only to audit, but they must declare their request to audit a course at registration or no later than the end of the Add-Drop period. Auditors pay all fees and partial tuition (see Section on Tuition, Fees and Deposits for tuition charges). Auditors may elect to take the final examination but do not receive academic credit for the audited course. Graduate students auditing an undergraduate course must comply with the policies that govern the undergraduate program.
