

Transfer Credit

A maximum of nine graduate credits or 25 percent of the degree program, whichever is greater, may be transferred from another accredited institution toward the master's degree at Sage Graduate Schools if such work was taken within five years of the first course counted toward the degree at Sage. Transfer credit is granted at the discretion of the Graduate Program Director and the Dean of appropriate Sage Graduate School. Transferred courses must be a "B" or better ("B-", "S" and "P" grades may not be transferred). The student should initiate a request for transfer of credit by making a written request to the program director.
