

# HED 652 : Community Health Education Practicum & Portfolio

This course is designed to provide a 210 hour culminating experience for students in the Community Health Education track by affording them an opportunity for a supervised practicum experience either in a school or community-based setting. Individual placements will be based upon the student's personal career goals. A portfolio and presentation summarizing the experience will be required. Students will meet regularly with their advisor and, also, have the opportunity to share with other students working in the field.

**Prerequisites**

completion of all other program requirements or prior written approval by the graduate program director
