

PAD 577 : Practicum in Public Admin

Designed for part-time students, the practicum provides an intensive research/analysis experience in an appropriate governmental, health or human service agency. Each student will design, in conjunction with the organization and instructor, an applied research and analysis project which will culminate in a written research report and action recommendations.

Prerequisites

Four core courses PAD 576 578 560 574 568 558 563

Advising Note

Take 4 courses; From courses PAD-576 PAD-578 PAD-560 PAD-574 PAD-568 PAD-558 PAD-563;
