

# PSY 543 : Career Counseling

This course serves as an introduction to working with clients presenting with career-related issues. Topics includes career development, theory, assessment, exploratory activities, and ethical dilemmas in counseling. The ranges of roles and practice settings unique to career counselors will be explored in addition to how career issues can be addressed within the context of other mental health or developmental concerns. Students will have the opportunity to review case studies and apply techniques through practice sessions in class.

**Prerequisites**

PSY-571
