

## PTY 519 : Clinical Applications: Integumentary System

This part-time clinical education experience is concurrent with PTY 509 Integumentary System. This part time clinical education component gives the students an opportunity to observe examination, evaluation, goal setting, documentation and application of interventions for patients with integumentary dysfunction. Students are expected to practice in a safe, professional, ethical manner with adherence to legal practice standards including maintaining patient confidentiality in accordance with HIPAA guidelines. Students are responsible for their own transportation to and from the assigned clinical facility. This course is open only to students enrolled in entry level DPT program. Students must be enrolled in PTY-509 and PTY 509L while taking this course.
