

OTH 704 : Funding in OT Practice Capstone Planning (Online)

Doctoral students will expand on Community OT Practice through self-directed application of occupational therapy to community practice to explore how community-oriented policies, theories, and models can be funded through grant application. Students carry over concepts from capstone planning to fund their Doctoral Capstone, while substantiating the contribution of an occupational therapy in that practice area. Students submit a grant for funding mechanisms to meet the needs of the agency and its consumers. OTD students only. Course content delivered online.
