

# Family Nurse Practitioner Post Masters Certificate

## Degree Type

Certificate

Post-Master's certificates are available for nurses with a previous Master of Science degree with a major in nursing. Programs are individually designed based on a Gap Analysis of the previous Master's Degree earned, and the equivalent Russell Sage courses in the Master of Science Program along with the courses required for the specific nurse practitioner tract certificate. Total credits required vary based on the Gap Analysis from the previous Master's Degree and Nurse Practitioner Tract selected. Admission requirements to the Post-master's programs are the same as the admission requirements to the Master's programs.

National certification bodies such as the American Nurses Credentialing Center (ANCC) require a minimum of 500 faculty supervised clinical hours for examination eligibility. Certificate programs at Russell Sage College require 640 hours to complete the post-master's certificate.

## Required Courses

- Mandatory Clinical Lab Fee. NSG 619 is pre-requisite for all subsequent clinical courses
